

September 2011

Dear Parents/Guardians and Students,

I extend a warm welcome to all of our returning students and their families and to those students and families who have recently joined our school community. Our wish and prayers are that you have a successful and rewarding school year.

Our annual Meet the Teacher event will take place on Monday, September 19th. This event will provide an opportunity to get to know your child's teachers. I extend an invitation to all of you and hope you can attend. You will receive additional information about this event by way of letter brought home by your child (remember to check those backpacks!). If we can be of assistance over the coming school year please drop by and see us. Good communication between home and school will contribute significantly to your child's academic success.

Watch for our monthly School Newsletter that will be posted on our School Website www.stmaurice.mb.ca. The newsletter will provide you with useful information and it is a good way to keep up to date on the various events taking place at our school. Please note that we will no longer email the newsletter to each parent. We encountered many difficulties with this process in the past such as: full email accounts, email address no longer valid etc.

I have a request about the use of our parking lot. Please follow the signs indicating the path you are required to follow when entering and leaving the lot, as well as the drop-off zone. When these signs are followed the parking lot is safer for all to use and it is much less congested.

I wish all of you a great school year!

God Bless
