A charitable donation tax receipt for a portion of the tuition fees of St. Maurice School is calculated according to Canada Revenue Agency's information circular #75-23. In part the circular reads as follows:
An official donation receipt will be issued for that portion of a payment which is in excess of the pro-rated "cost per pupil" for academic training. If the family has more than one child in attendance at the school, the "cost per pupil" portion will be multiplied by the number of children in the family.
