

St. Maurice School - Uniform Requirements

St. Maurice School students must wear the St. Maurice School Uniform. The uniform promotes unity and reduces competition. Students will not be allowed to wear uniform garments that have been purchased elsewhere, even if garments come close to matching school uniforms. Otherwise, the fairness and consistency of the school uniform policy is jeopardized. All students must wear the school uniform in a proud and presentable fashion. Please refer to the current St. Maurice School Student Handbook for other Student Uniform information. Students new to St. Maurice School may only place their order for uniform items after receiving their official letter of acceptance.

Those items identified with ♦ below must be purchased through St. Maurice School's official uniform supplier, Top Marks.
